

Insurance for Breweries and Tap Rooms

Gannon Associates has been providing insurance solutions to businesses and organizations for nearly 50 years. We work with a wide variety of industries including breweries and tap rooms. We understand the unique risks you face from production operations to event hosting. We offer the options you need to ensure you're covered correctly.

Our insurance solutions include:

Commercial Insurance

- Property - signs, buildings and more
- General liability
- Equipment - production, kitchen, etc.
- Product liability
- Business Auto
- Contamination and spoilage
- Manufacturer's selling price
- Commercial umbrella

Workers' Compensation

- Coverage tailored to your business
- Loss control services and risk analysis
- Claims assistance
- Return to work programs
- Safety training

Benefits

- Group health Insurance
- Dental Coverage
- Vision Coverage
- Life Insurance
- Ancillary products
- HR & Business solutions

Working with many of the top insurance companies in the country, we will tailor an insurance program that meets the needs of your operation at a price that fits your budget. Let us put our experience and expertise to work for you and provide the peace of mind you deserve knowing your business and employees are covered correctly. Give us a call to schedule an insurance review.

A message from our CEO

Our goal at Gannon Associates has always been to provide our customers the peace of mind and confidence that comes from knowing they're covered correctly. Working with our insurance company partners we will offer you the options you need to protect your business.

We offer property and liability insurance to secure your operation and health insurance and worker's compensation programs to keep your employees safe. We also provide a number of preventative services to help avoid accidents and dangerous situations.

We look forward to the opportunity to introduce ourselves and our company.
